Fleet Services

Get fleet service when it's convenient for you

If your company uses fleet vehicles, it's essential to keep them well-maintained and running smoothly. But getting regularly scheduled maintenance for your fleet can create unnecessary interruptions and downtime. With Mr. Lube's fleet service programs, it's easy to keep your fleet and your business on the go.

- No appointment needed
- Service your fleet vehicles when it's convenient for you
- Open weekdays and weekends, with longer weekday hours
- Trained technicians provide warranty-approved services
- Quick service means more time on the road

Fleet maintenance that makes sense

We can customize a preventive maintenance program to suit your needs. Email reminder notification will also be sent when your next service is due.

Local fleet service

- All locations
- Charge account
- Pay as you go

Little extras go a long way

Every Mr. Lube service includes:

- A free top-up of your car's fluids*
- Courtesy inspection, including your tire pressure, air filter, lights, wiper blades, battery, serpentine belt and more*
- Complimentary beverages and newspaper

*Some limits may apply

Experts you can trust

We're ASE certified

Rest easy knowing that our technicians pass our training program which complies with the National Institute for Automotive Service Excellence (ASE) – the highest standard in the world.

We listen to your vehicle

Mr. Lube technicians have access to your car's Electronic Owner's Manual, so you'll always get the right service recommended by your vehicle's manufacturer. No more. No less.
